GATE

- GATE 2026 (Computer Science and IT): Score 812/1000 | AIR 312 | 99.62 percentile

EDUCATION

B.Tech, Computer Science and Engineering | Rajasthan Technical University | 2022 - 2026 | CGPA 8.7/10
Senior Secondary (RBSE) | 2022 | 93.4%

RELEVANT COURSEWORK

Algorithms, Theory of Computation, Compiler Design, Computer Architecture, Operating Systems

PROJECTS

Mini-C Compiler | C++

- Lexer, LALR parser and x86 code generator passing 120 conformance tests (100% pass rate).

Page Replacement Simulator | Python

- Compared LRU, LFU and ARC on 10 traces; ARC reduced faults by 12%.

RESEARCH EXPERIENCE

Summer Research Intern, IIT Bombay (guided by Prof. A. Deshpande) | May 2025 - Jul 2025

- Cache-oblivious algorithms for sparse matrix multiplication; 1.8x speed-up over baseline.

TECHNICAL SKILLS

Languages: C++, Python

Fundamentals: Algorithms, Operating Systems, Compiler Design

ACHIEVEMENTS

- University gold medal for third-year academic performance
